Quick, Easy Access to Your Medical Records

Sign Up for MyChart Today

You can have quick, easy access to portions of your electronic medical record (EMR) through MyChart. It only takes a few minutes to sign up, and it's easy to do. Anyone can use MyChart, and you don't need a special access code from your doctor.

With MyChart you may be able to:

- Have a video visit with your provider
- View test results
- Send/receive messages from your doctor's office
- Request medication refills
- View upcoming appointments, tests and procedures
- eCheck-in – complete appointment paperwork ahead of time online
- Download your medical record
- Track personal and family history
- Schedule your appointments online
- Merge your medical record with other healthcare systems' MyChart records
- Send your medical record to another provider
- View and print immunization records
- Conveniently pay your bill online

Your medical records are safe from unauthorized access because MyChart is password-protected and delivered via an encrypted connection.
